

Happy Year
of the Horse!

Money, right away!

Gimme Hóngbāo!

Thanks!

Run into success!

May you be unstoppable!

Lead the way
this year!

A show of power

I know
the way

Just going with the flow

Just a quick look

Keeping options open

Follow your lead!

At your service

Massage

Total suck-up

Right now! Right now!

Full speed ahead!

Total chaos!

My bad -- sorry!

Neigh, so-so

That makes zero sense

Mind wandering

Exhausted

Star Astron Agent
